ADMISSIONS INFORMATION
Middle School Program (7th Grade and 8th Grade)
2014-2015 Academic Year

To apply for admission:

1. Contact the admissions office to arrange for a tour (adults only please).
2. Submit a completed application form and a nonrefundable $50 application fee to the admissions office.
3. Submit one of the Teacher Recommendation forms to your child's most recent teacher. Submit the Adult Recommendation form to an adult your child is involved with such as coach, scout leader, music instructor, etc.
4. Submit a copy of your child's most recent, as well as previous, end of the year teacher evaluations.
5. Parents or Guardians will be contacted to arrange for a time to meet with administration. This meeting is an opportunity to make sure that we share a common view of the purpose of education, that parents have an accurate understanding of Montessori education and reasonable expectations of our school, and that all adults involved can work together in support of the child. The interview is an excellent time for you to ask any additional questions you may have about our school as well as to ensure that there is a good match between your family and the Montessori environment. You will also have the opportunity to observe the classroom while school is in session.
6. Your student may be invited to spend time in the classroom to determine potential for success in a Montessori environment.
7. If your application is accepted, you will receive the enrollment packet, which will need to be completed and returned with the $600 non-refundable commitment fee. *$400 of this fee will be applied towards the annual tuition; $200 is a general administrative fee. Early Withdrawal will result in the forfeiture of the entire $600.*

We look forward to receiving your application and getting to know your child and your family.
